**FUNDED BY STRONSAY DEVELOPMENT TRUST**

**ISSUE 133 - July 2016**

*Published on the last Thursday of the month*

## **STRONSAY SURGERY—Dr JAMES MILLER**

The team at Stronsay surgery would like to let the community know that Dr. James Miller, who has been our regular locum G.P for several years, will be working his last time here from 21st July until 7th August. A regular contract has been arranged for future cover by a 'rural fellow' scheme based from mainland on annual rotations.

I'm sure you would like to join us in thanking James (& his wife Marjorie) for his all his care and attention during his many visits over the years, and wish him well in whatever direction his future takes him. We as a team have enjoyed working with him too, and will especially miss his expertise in anything 'skin' related!

## **IS YOUR CLUB OR ORGANISATION PLANNING AN EVENT ON STRONSAY?**

Why not advertise it in the Limpet? **It's free!** 100 copies of the Limpet are printed and distributed across the island every month and the Limpet is also freely available online. To advertise simply get in touch with the Limpet's editor (contact details are on the back page of every Limpet) and provide the following information:

- what your event is,
- who or what organisation is running it,
- what charity or organisation it is supporting,
- whereabouts it's being held and, finally,
- the date & time at which it's being held.

If you have missed the deadline for the regular Limpet then the Limpet's editor can spread your information via:

- the Limpet's email list,
- the Limpet's Facebook page and
- the Limpet's website.

---

The next edition of the [Limpet](#) will be published on **Thu 25 August**. Items for inclusion in that edition should be submitted by 7pm on **Sun 21 August**. Contact details on back page.

## RECENT BIRD SIGHTINGS.

The obliging Short-eared Owl remained in the Eastbank/Gories area until late June when a pair of Sedge Warblers (4th of the summer) were discovered by Brian and Christine at Mt Pleasant. An unusual sighting at Linksquoy was a Song Thrush on 11th July and a moulting male Ruff was at the Bu Loch the same day.

A great find – and long awaited! – on the Bu Loch on 12th was a Temminck's Stint, a species we have been hoping to find since our arrival on Stronsay in 1987. Very uncommon in the UK, this tiny wader is not only small - much smaller than a Ringed Plover - it is very non-descript! (see photos). The bird was seen again next day and again on 19th – but on both occasions had a bath in the shallow water, a quick preen, and after a minute or two feeding around the muddy margin, flew off and out of sight towards the Rothiesholm Sands. A Green Sandpiper was also seen briefly at the Bu Loch on 19th.

Silage cutting was well under way by mid-month and as usual the wader, gull, and Starling flocks built up rapidly in the freshly cut/cleared fields. One field near Haygam had over a hundred each of Curlew and Oystercatcher, over 70 Bar-tailed Godwit, and several Golden Plover on the evening of 16th but all had moved on by next morning – probably still on the island but very difficult to find with so many suitable fields in which to feed! There have been several sightings of small parties of Whimbrel - also in the fields of cut silage.

A male Hen Harrier has been seen several times in the last few days recently (Hazel and Norman), and a brown ring-tail (either juvenile or female) has also been seen (Kath and Norman).

It is amazing how productive a run-around in the car can be regarding bird sightings - the Short-eared Owl, Meadow Pipit, and Rock Pipit images immediately below were all taken by visitor Tarja Samuelsson during short trips with Sue and Myself in late June.

All the following photos taken in mid-July:

*The Temminck's Stint at the Bu Loch – a moulting adult, yellowish legs - similar in size to a 'sparrow'*

*The solid greyish breast was a good clue to the identification*

*(Continued on next page)*

*A very bright 'sun-dog' as seen recently from 'Castle'.  
The opposite 'side' was far less intense'*

Thanks once again for all the calls.

# WHISTLING BILLY!

By Ellie from Newfield

Our Billy came home sober,  
Me mam said “He must be ill.”

He didn’t smell of booze  
And he stood there perfectly still.

Not once did our Billy sway,  
Stood in the hall, upright.  
What’s the matter with Billy?  
Something’s happened tonight.

Our Billy had a fried breakfast  
With bacon and egg, no less.  
I’m confused and mystified,  
He’s bumped his head, I’d guess.  
Me mam said “Close your mouth”  
And “you know it’s rude to stare.”  
But now our Billy’s whistling  
And he’s combed his ruddy hair!

Me mam’s put on a table-cloth  
And the sugar’s in a bowl.  
We haven’t had a cloth for years  
Since the old one got a hole.  
The milk is in a jug, no less.  
How posh we seem to be.  
“Keep your gob shut” mother said,  
“Billy’s girlfriend’s coming to tea.”

### **STRONSAY GAMES CLUB** **VOLUNTEER LEADER/ORGANISER**

Stronsay Games Club is looking for an enthusiastic, volunteer leader to run the long-established Games Club for young people aged between 10 and 18 years who have met every Friday evening between 8 and 10pm during school term times, used a wide range of games and equipment and participated in occasional youth-centred events in Kirkwall. Unfortunately with no one to take the lead, the Games Club has not met for several months.

You will not be alone. A pool of adult volunteers is available to assist and support you. You will need to be a PVG Member, enjoy working with young people, be organised and have a good sense of humour.

If you are interested in taking on this lead role, or require more information, please contact the Association's Secretary.
