## **NEW - STRONSAY LIMPET EMAIL LIST**

A new, automated email system has been introduced for the Stronsay Limpet. It replaces the old, rather out-dated email list. Even if you were on the old email list you will have to join the new list.

Joining or leaving this new email list is quite simple. Use the link at the top of the Limpet webpage [www.stronsaylimpet.co.uk](http://www.stronsaylimpet.co.uk) or go directly to <http://stronsaylimpet.co.uk/MailList.html>. You will receive an email which will contain a link that you must click in order to confirm your request.

Emails sent to this new list will have consecutive serial numbers in the subject line and a full archive of emails is available at <http://www.stronsaylimpet.co.uk/Emails.html>.

## LETTER FROM SCHOOL PLACE

During the councillors' recess I travelled extensively through our United Kingdom and across to the continent seeing how people do things elsewhere. For example: in Lancashire rural communities have clubbed together in the "B4RN" project to bring high-speed broadband to the areas BT won't go to; in Wales and in England I saw village schools and community centres protected by permanent 20 mph speed limits; and I learnt that some small island nations impose a "tourist tax" to help compensate for the negative impact of cruise-liner visits. All ideas I am sure we could apply to the Orkney scenario. Furthermore, ferries — I crossed the English Channel for less than it costs to cross the Pentland Firth, and I discovered how low ferry fares are on the west coast of Scotland compared to ours, thanks to the Road Equivalent Tariff.

***Permanent 20 mph speed limit outside

***OIC celebrates Her Majesty's record-breaking  
reign of 23,226 days, 16 hours, 24 minutes\****

In my new role as Vice-Chair of Education, Leisure & Housing (ELH), I was one of the delegates at the Islands Education Summit hosted by OIC, and reported in *The Orcadian*. (Did you spot the Sanday tie being worn by the Leader of Shetland Islands Council?) It was attended by the Cabinet Secretary for Education & Lifelong Learning, Angela Constance MSP, and, as well as my input into the workshops, I managed to spend time in conversation with her about the special situation of teachers in small island schools, GTC registration issues affecting applicants for teaching posts in our schools, and the particular challenges faced by life-long learners in the Isles, especially those who missed out on formal school qualifications. I believe I managed to drive the message home to members of the Scottish Government and Education Scotland that "insularity" needs to be a recognised special characteristic quite distinct from "rurality", and its peculiar problems and costs acknowledged.

The affordability of up-front payment for books of discounted ferry vouchers came up at the Inter-Island Ferry Services Consultative Forum. This is something I would like to get resolved, as the current system financially discriminates against those on low incomes and those with large families.

*(continued on next page)*

At this year's Orkney College Graduation and Awards Ceremony I was invited to make the closing remarks, in which, starting with a reference to academic dress and the "doffing cap" (my doctoral bonnet was not required this year), I provided a little historical background to demonstrate that academic education and vocational training share common roots in the trade and craft guilds of the middle ages. Regrettably, some Sanday parents missed the ceremony on account of unannounced ferry rescheduling, and other passengers missed their hospital appointments. I shall be taking this up with Orkney Ferries.

Other meetings I have attended this month include: the Innovation Fund member/officer working group, Orkney College Management Council, Licensing (Sub-Committee and Board), two Monitoring & Audit meetings, Orkney & Shetland Valuation Joint Board, World War I Project Board, ELH, High Costs/Extraordinary-Care Arrangements Group, mid-term Council Plan review, and a seminar on the Council budget. As Vice-Chair of ELH, I now have extra meetings with the Director of ELH.

I have been to Shapinsay for their community council meeting (where Rhoda Walker gave a presentation on plans for the new hospital, due to be up and running by the autumn of 2018), to Westray for a meeting of their parent council, and back to Sanday for the AGM of theirs. I am due to visit Stronsay soon for both parent council and community council meetings.

I hope the front-page headline of *The Orcadian* of the 10<sup>th</sup> September will have reassured folk that we councillors are concerned about the plight of the Syrian refugees. There has been a lot of background discussion among us, and the matter is going to be discussed formally at our Policy & Resources Committee meeting on the 22<sup>nd</sup> September.

# **BLACKBERRY BLUES**

By Ellie from Newfield

You know I deny you nothing  
And your wish is my command,  
That you only have to whistle  
And I'm eating out of your hand.  
Your tune is the one I dance to  
That's how it's always been.  
This roost is ruled by you  
Even the garden scene.  
Now I'm not a pushy person  
But in this I will have my way,  
And this hurts me more than you  
But I really must have my say.  
Now give and take is the key  
In any working affair,  
And don't you think it's lovely  
That sharing means you care?  
There's always a feast to be had,  
Plenty enough for us all,  
And you certainly never go hungry,  
Not as I recall.  
Those blackberries belong to us all  
For no-one owns all rights.  
Sharing is the answer,  
Puts a stop to those awful fights.  
Blackbirds of course are bossy,  
That I'm afraid is their way.  
But in this my feathered friends  
I'll have the final say  
For we all need vitamin C,  
It's good for those growing feathers,  
Keeps out the cold in winter  
And I know you're out in all weather.  
But wrens have feathers too you know  
And they're less than half your weight.  
So put aside this bullying,  
Just leave it outside the gate.  
"Sing a song of sixpence"  
You've often heard that said  
And in MY pies are blackberries  
But then, blackbirds would do instead.

### **STRONSAY BOOKWORMS**

Nine “bookworms” met at Peedie Hoo to discuss “The Secret Garden”. We found that few of us had read the book since we were young children and were surprised by how much the story contained. We enjoyed the story very much.

Discussion turned to our next book choices. **Everyone is welcome to join us** – perhaps for a particular book, or to read each other’s favourites.

- **November 12<sup>th</sup>**: “We Bought an Island” by Evelyn Atkins. Two sisters leave behind suburban Surrey to buy an island off the Cornish Coast. A true story. Viv’s house. 7.30pm
- **December 10<sup>th</sup>**: “A Christmas Carol” by Charles Dickens. The classic Christmas story. Mulled wine and mince pies. Barbara’s house. School Brae. 7.30pm.
- **January 14<sup>th</sup>**: “The Light Between Oceans” by M.L. Stedman. A novel set on a remote Australian island. Ruth’s house. Peedie Hoo. 7.30pm.

**Support and friendship  
for families**

**Home-Start Orkney**

Home-Start is the UK's leading family support charity and [Home-Start Orkney](http://www.homestartorkney.org.uk) has been on the go for over 14 years. The scheme was recently awarded a grant from the Big Lottery Fund to develop the service to the outer isles. To provide the service we will train volunteers who then offer support in the family home to parents of young children who are experiencing difficulties. Perhaps a parent is struggling with isolation, post-natal depression, or would just benefit from a couple of hours of practical or emotional help once a week to assist with parenting skills or improve their well-being.

Volunteers will have parenting experience and will be provided with training, out-of-pocket expenses and on-going support from the co-ordinators.

For more information please contact Elsie Cooper at [elsie@homestartorkney.org.uk](mailto:elsie@homestartorkney.org.uk) or go to the Home Start Orkney website <http://www.orkneycommunities.co.uk/homestartorkney>.

### **STRONSAY DIABETES SUPPORT GROUP**

The group met on the 5th August and had some general discussions about various topics and issues to do with diabetes. The next meeting will be held on Wednesday 30th September at 3pm in the carpet room at Stronsay Community Hall (a week earlier than planned due to my work commitments). We would love to see some more members attending if you can spare an hour and a half, it would make for more interesting discussion.

If anyone has any topics for discussion please let me know, or any favourite diabetic friendly recipes for sampling!!

Look forward to seeing you then.

### **THE STRONSAY JUNIOR HIGH SCHOOL** **PARENT COUNCIL NEEDS YOUR HELP!**

The Stronsay Junior High School Parent Council has applied to be a Rag Bag recycling collection point you may have seen the container at the school standing in the north car park. At present we have to site the container but in the near future we hope to start collecting unwanted items of clothing, ties, belts, handbags, bags, pairs of shoes tied together, household linen and towels.

These items are sorted by the Primary pupils, packed into large bags and sent away south where they are baled and shipped to Africa. Local teams of volunteers then dispatch the items to those in need. The Parent Council will receive payment in return for the textiles which will go towards supporting our children within the school.

As islanders we are all aware how the damp and wet can creep in where we least expect it so to ensure all textiles are kept dry we have to request items are placed in plastic bags which can be accessed from the school and placed into the container. This will also make it easier for our pupils to carry the textiles into the school to sort. All bags will of course be recycled!

If you wish to support us please watch out for the notices in our local shops informing you of when we are up and running!
